GEORGE KOVACS®

In 1954, George Kovacs opened a small import store in Manhattan for modern and avant-garde lighting, starting a revolution in the landscape of design and illumination.

By the early 2000s, the George Kovacs® brand had catapulted to success by staying ahead of trends and propelling an appreciation for modern interior design within the USA. George Kovacs® Lighting was licensed to The Minka Group® in 2002 and today continues to be the benchmark of both design technology and superior contemporary style.

George Kovacs' legacy as a lighting pioneer continues on, even after his passing in 2007. The Minka Group® is committed to embody the design aesthetic he inspired with a wide range of styles. All the pieces in the George Kovacs® Lighting collection are marked by similar characteristics: clean lines and unexpected curves, superior illumination, and sophisticated style, all combined with a good-natured sense of humor.

Inside and out, George Kovacs® continues to light the way with cutting-edge contemporary lighting, a benchmark for premium quality at a value-driven price.

ASTOR

SOFT GOLD FINISH • ETCHED SILICONE

Crafted like the fine jewelry that celebrity interior designer Robin Baron loves, the Astor collection is a statement within itself. A beautiful standalone piece with its signature swirls, these light fixtures feature LEDs encased in Etched Silicone and are finished in a Soft Gold. This beautiful, cutting-edge design is certain to enhance any space.

GRAMERCY

POLISHED NICKEL FINISH • WHITE SILK SHADE

Luxurious White Silk Shades glow with the Polished Nickel Accents that are inspired by acclaimed interior designer Robin Baron's "Burst" hardware. The Gramercy collection's subtle elegance, paired with its opulent details, adds the perfect finishing touch to any room.

SNEER

COAL AND SUN GOLD • TINTED GLASS

Artisan crafted Tinted Glass is the signature of the Sneer collection. While the artful design of the glass is a showstopper, the Sun Gold caps of illumination dangling from slender aircraft cable gives the entire collection the illusion of floating.

GRID™

BRUSHED NICKEL OR SOFT BRASS FINISHES

Designed by Dawn Ladd & Rachel Simon

The Grid™ collection for George Kovacs® lighting was introduced in 1997 by designers Dawn Ladd and Rachel Simon. Timeless design achieved through perforated cylindrical steel shades, enables light to shine through an abundance of uniform squares. With new design additions to this classic Kovacs™ collection, this is the perfect look for today and tomorrow's modern interior spaces. Now offered in a Soft Brass Finish.

BEAM ME UP!

COAL AND SATIN BRASS OR BRUSHED NICKEL FINISH • ETCHED OPAL GLASS

Kovacs™ has always been synonymous with the best in modern lighting design and Beam Me Up! certainly exemplifies that standard. This high lumen LED contemporary beauty is an absolute stunner. Available in two sizes and two finish combinations; Coal with Satin Brass or Coal with Brushed Nickel each capture a brilliant Etched Opal Glass shade. Suited for a variety of interior design styles.

GK LIGHTRAIL®

LOW VOLTAGE

GK LIGHTRAIL®

Welcome to the world of George Kovacs® lighting. GK LIGHTRAIL® kits represent a fresh approach to the concept of rail lighting. Available in low voltage and 110 voltage kits, our complete Lightrail kits offer all the components you need neatly packaged together for an all inclusive installation. Simply add additional rail sections or different size standoffs to increase the customization of your GK LIGHTRAIL® kit.

Standoffs should be placed no further than 3' apart. Measure the ceiling height and where the rail is to be situated. The rail should not be placed any lower than 7' from the floor. Use the Rail Standoff Guide below to determine which standoffs should be used. The standoffs are telescopic and come with a hang-straight swivel for higher, sloped ceilings.

RAIL STANDOFF GUIDE					
CEILING HEIGHT					
	8' to 9' Flat	8' to 9' Sloped	9' to 10' Flat or Sloped	10' to 12' Flat or Sloped	12' or Higher Flat or Sloped
STANDOFFS	Use 2 3/4" to 4" Standoff	Use 6" to 10" Standoff	Use 12" to 24" Standoff	Use 24" to 48" Standoff	Use 48" to 96" Standoff

Telescoping Standoff Supports are available in five sizes; 2 3/4", 6", 12", 24" and 48", with telescoping range from 4" to 96" respectively.

The measurement of the standoff is the stem only. The ceiling and rail connectors are not included in the measurement.

GKST1048-084
48" Telescoping Standoff
Brushed Nickel
48" to 96"

GKST1024-084
24" Telescoping Standoff
Brushed Nickel
24" to 48"

GKST1012-084
12" Telescoping Standoff
Brushed Nickel
12" to 24"

GKST1000-084
5 1/2" Standoff
Brushed Nickel
(Non-Adjustable)
Provided in all low voltage kits

GKST1004-084
2 3/4" Telescoping Standoff

- George Kovacs® will warranty only product sold through authorized George Kovacs® dealers.
- Minka Group® reserves the right to use UL or ETL Listing where applicable.
- Fixtures over 50 pounds must be supported independently of the outlet box. Consult a qualified electrician/installer.
- We strive to make sure each finish matches the colors which appear in this catalog; however, finishes may vary due to various chemical processes and the nature of hand applied finishes.
- We reserve the right to make design changes and modifications without prior notification.
- Size and finish specifications on all product in the catalog are subject to slight variations due to manufacturing processes. Photographs are close representations to the actual products.
- All product and glass are inspected before packing. However, due to variations in hand applied finishes, variations due to hand blown and seeded glass, and inconsistencies in natural materials, slight variations may occur that are acceptable and meet our quality control standards.
- All portables are California Title 20 Compliant.
- Bulbs not included unless otherwise noted.
- Wattages stated are the maximum recommended; however, you may use lower wattage lamps to suit your lighting needs.
- All electrical products are rated as 120-volt, AC unless otherwise noted.
- All lighting fixtures in this catalog that comply with the August 1, 2009 revision of the California Title 24 standards are marked with a Title 24 in the note section of the information table on the product pages.

Title 24 is a document that contains the building codes for the State of California.
For more information, visit www.energy.ca.gov/title24

WARRANTY - All products in this catalog, other than our LED fixtures which has a limited Power Supply warranty (Module, PC Board Diodes and Drivers) for three (3) years, are warranted to be free of defects in material and workmanship for one (1) year from date of purchase. This warranty is limited to the correction of any such defect, or the replacement of any such defective item, provided that: (a) item(s) was (were) purchased from an authorized Minka Group® distributor; (b) we are properly notified and consent to the return of the item(s) in question; (c) the item(s) is/are returned with proof of purchase date; and (d) it is found upon inspection by us that the item(s) is/are defective as noted above. This warranty does not cover labor costs, consequential damages, nor does it apply to any item(s) that have been improperly installed, overloaded, altered, or otherwise abused by the customer, its agent(s) or employee(s).

GENERAL CONDITIONS - George Kovacs® may terminate its business relationship with any dealer that fails to maintain adequate stock of George Kovacs® product. Further, George Kovacs® may cease selling product to any dealer that sells or distributes to an unauthorized dealer for resale purposes.

Product Originals: Minka Group®
Product specifications are subject to change at any time.
