LIGHTING SUPPLEMENT

JUNE 2025

**At Savoy House, lighting isn't
just what we do — it's who we are.**

Since 1965, we've been devoted to crafting approachable luxury lighting that blends timeless style with thoughtful innovation. Our legacy is built on craftsmanship, deep industry roots, and a belief that lighting should do more than complete a space — it should define it.

This year's collection reflects that philosophy. You'll find enduring silhouettes, fresh textures, and versatile designs that speak to evolving tastes while honoring classic appeal. We design each piece to do more than shine — we want it to set the tone, spark emotion, and create connection.

Thank you for making Savoy House part of your projects and your spaces. We're proud to keep lighting the way forward — together.
